#### About Us

It is more than 10 years back when we decided to get involved in the Textile industry and started our own business and now we feel pleasure to introduce ourselves as one of the leading manufacturer & exporters. In the begning we statrted our work locall city. And then our team decide to expand our buisness in international market.

We are already working with lot of European companies regularly for many years. We also have regular customers in USA, Canada & Middle East. They are very much satisfied with us because of our timely shipments, good prices and quality of our products. We achieve this goal only because our organization have got many experienced and skillful persons of our field. If you need any references of our old & regular Customers, please let us know.

We have well-equipped quality control department with fully qualified experienced staff in all departments. The quality is controlled right from raw materials to finished product at each stage of manufacture.

Our vision is to grow into value added products to meet and exceed the expectations of our valueable customers. We never stop exploring way to promote the quality of our products supported by continues research and development.

We pursue quality standard to produce finest products.

On request we can submit more detail about our production facilities, number of workers, etc...
